

McCORMICK PLACE[®]
CHICAGO

McCormick Place

Chicago, IL USA

OVERVIEW

McCormick Place is the premier convention facility in North America. Located just minutes from downtown Chicago, approximately 3 million visitors each year attend events at McCormick Place. Home to some of the largest and most attended conventions, meetings and tradeshow in the world. Designed as one of the first purpose-built convention centers in the United States, McCormick Place today is a convention center campus comprised of four buildings, the North, South, East "Lakeside Center" and West.
