

THE MOSCONE CENTER

SAN FRANCISCO, CALIFORNIA – UNITED STATES

OVERVIEW

The Moscone Center covers more than 20 acres on three adjacent blocks in the vibrant SOMA neighborhood with easy access to major hotels, award-winning restaurants, and numerous cultural venues.

Recently renovated (2019), the Center's highly flexible design accommodates events from 1,000 to 70,000 people. The expanded facility mirrors the City of San Francisco's commitment to sustainability with the highest scoring LEED certification for a convention center in the world.

Our professional staff is here to help you create your best event ever.
